### **JOIN THE STAMPEDE**

THE world's largest travel provider for young adults and students - STA Travel, has come to the party for adventure lovers looking to soak up the fun of Europe's most famous festivals.

If you want to be big in Europe, then crashing the festival circuit is the way to go and STA has launched a bunch of bargain escapes for young holidaymakers to lap up the excitement, the celebration .....and the sangria.

For example in Spain, the San Fermin Festival or the Running of the Bulls provides the ultimate adrenaline rush.

Regarded as one of Europe's most notorious and spectacular events, the San Fermin Festival transforms beautiful Pamplona into a kaleidoscope of colour and action from 6-14 July in celebration of Spain's iconic symbol, the bull.

The nine day festival of carnivals and parades is marked by a daily running of the bulls where daredevils try to outpace the rampaging stampede through Pamplona's cobbled streets.

Travellers can enjoy the rush of running with the bulls or revel in the party atmosphere risk free by watching all the chaos from a safe distance – however you choose to celebrate San Fermin, it is one holiday experience you will never forget.

If this sounds like your kind of fun, charge into STA Travel where Running of the Bull packages start from just **£159 (approximately S\$381)\*** per person including four nights twin share camping with tent and air mattress, cooked breakfast daily, day trip to San Sebastian and transfers from accommodation to Pamplona.
